TREASURERS REPORT: The Club continues to build our activities and actions for the near future. The year 2021-2022 Federal Taxes were filed today, and we expect they will be accepted by the IRS. Our budget for the year is holding up well. The Officers Tea is coming up and we encourage everyone to come out and enjoy the occasion. The Summer Outing, EBC Regatta, The Flying Scot Program and other events will follow. Please watch for the NewsBuoy and website for details. We are trying to establish a plan for the EBCIV to be utilized in a way that generates interest in members and the Area we boat in. The USSAIL Organization threw a curve at the Sailing Community across the nation when they cancelled liability insurance for officials and Clubs running Regattas. This means we will have to obtain coverage for our race officials in our sailing programs. Please keep up your efforts to attract new or returning members to the Club. We need to build our base of membership and our dues are one of the best or lowest in the area and open to all residents of the US and Ontario Canada. Thank you and pleasant sailing this season! David Spiers, Treasurer

Flying Scot Notes:

Usage of Flying Scots outside of class will be available to members with a validated skipper's card. Board is reinstating the \$60 fee to help cover boat maintenance. Details as to access to sail trailer during non-class nights will be posted once finalized. Until then, please contact our Commodore.

Novice Sailing Class

Again, this year, we are holding novice sailing classes at Grayhaven Marina, with first classes being indoors at Brewery Faisan. If someone asks about learning to sail, direct them to the EBC Website and Facebook page for details.
