**** Election of three individuals for EBC Board of Directors Coming Up ****

That time has arrived. We need volunteers to run for the Board of Directors. The Nominating Chair this year is Bill Wayland, and he is the guy to contact should you be interested in running for the Board. The term for three years effective January 1st, 2023. Any member of the Club is eligible to run, and you can nominate yourself by contacting Bill. It is a great experience to have input to running the Club and helping your fellow club members. If you have a small business this opportunity as a director is a great addition to your business skills and development. We need to identify 5 or more candidates to run for the 3 open positions by the end of August (this month). The election will take place in October/November, with results announced at the Annual Meeting this year. Please consider running and let Bill Wayland at 313 970 0135 or wwayland178@gmail.com

TREASURERS REPORT:

Treasurer David Spiers July Report.

The Club continues to be in good financial shape. We are performing far better than our budget for the year. The EBC IV is up for sale. If you or someone you know is interested, contact Mike Holzhauer at 313-259-0599. We have not made much progress in increasing our membership but a new push with advertising on our website, Facebook and personal contacts is continuing. Our events are well attended. Please watch the NewsBuoy and website for details of upcoming events. Next big one is our Regatta on Friday 19th followed by the Flying Scot Races on the Saturday at Gray Haven. Remember the Club is only as good as you make it. Summer is here so enjoyed and be safe on all available water sports. Treasurer P/C David Spiers

Pleasant sailing or power boating on our Great Lakes. Dave Spiers

Flying Scot Notes:

Usage of Flying Scots outside of class will be available to members with a validated skipper's card. Board is reinstating the \$60 fee to help cover boat maintenance. Details as to access to sail trailer during non-class nights will be posted once finalized. Until then, please contact our Commodore.
