Commodore John Loftus Message

It is my pleasure and certainly my honor to have served and continue to serve the Edison Boat Club as your Commodore.

Rear Commodore

Kevin Webb

This past year has included many adjustments at the Board level. I am thankful for the years of service provided by P/C Bob Babcock and Bill Newbold who left the board, making room for two new members. Being new to EBC as well as the board, Adolfo Campoy-Cubillo and Liza Parkinson are bringing knowledge and expertise from other organizations.

Treasurer

P/C David Spiers

Upcoming Events

2023 – Coming Soon to
a location near you.

We will be looking for help from our members as well. This year I would like to reintroduce our entertainment and membership committees. I am calling on you to make a difference and move your club forward. I will send out an email soon. Please take it to heart and use this opportunity to join us in evolving your club!

While having great memories associated with it, we sold the EBCIV last year. Financially this will help from the sales amount, plus the absence of future storage and potential maintenance expenses.

Additionally, membership will continue to cost only \$100 to cover necessary expenses. Even with the loss of the physical club facilities, we do have some operational costs. Going forward, your board will continue to look at ways to add value to your membership. The January EBC NewsBuoy will contain more regarding plans for 2013.

Even though we are approaching winter. I look forward to great times and building new traditions while celebrating our past.

See you soon on and near the water,

John

November 18, 2022, EBC Annual General Meeting

The meeting was held at the Detroit City Airport Auxiliary facility on one of the coldest nights yet. As shown in the pictures, there wasn't any heat in the room. Members were very generous with bringing unwrapped childrens gifts. Without heat, it was a quick meeting

Newly elected board members are Adolfo Campoy-Cubillo and, Liza Parkinson, with reelected P/C Dave Spiers
