

Edison Boat Club

Membership FAQ

What is the cost of membership?

The cost to join is \$125 per year. For your membership, you get access to our Novice Sailing Class, Annual Regatta, and other events.

Do you offer a learn-to-sail program?

Sailing Class traditionally begins on the 3rd Thursday of April. The first three classes are basic instruction via lecture and held indoors. The remaining classes are practical instructions on the sailboats. The sailboat we use for teaching is a 19-foot daysailer called the Flying Scot. The Flying Scot features a centerboard, tiller steering, along with a jib sail and a mainsail. An instructor will be on the boat with you. To receive a certificate there is a written and on the water test that you need to pass. All classes are self-paced and run from April until we pull the boats out in October.

Who can join EBC?

Membership is open to anyone interested in boating, sailing, or socializing.

How do I join?

You need to fill out an application. You can find application form online at edisonboatclub.org or apply for membership and adult sailing class online by [clicking here](#). Your completed application will go to the EBC board of directors. They will verify that you qualify to become a member.

Do you have a Facebook page and website?

Yes, we are active on:

- Facebook at www.facebook.com/edison.boatclub
- Our website is www.edisonboatclub.org
