

To: EBC Members and DRYA Flying Scot Sailors
From: EBC Flying Scot Racing, Michael Mullins, Chair
Subject: EBC 2025 Regatta Flying Scot Races
Date: August 2, 2025

NOTICE OF RACE

As part of our annual regatta, EBC will again host a series of Flying Scot races according to class rules on Saturday August 16, 2025. Weather permitting there will be a Spinnaker Race, Jam Race and Women's, and Novice Race with awards given to the winning boats.

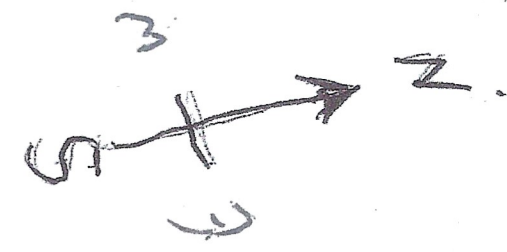

The event will be conducted according to the US Rules of Racing, Flying Scot Interclub Rules, and applicable DRYA rules. Entrants should email the details of the names of their club, skipper, crew, and sail number to the race committee before August 15, 2025 at mullinsme47@gmail.com. They may also check-in at the race committee boat at the starting line before 12:30 PM on the day of the race. Racing will start as soon as possible thereafter. Boats which do not finish 45 minutes after a start may be declared DNF. Any protests shall be filed by a skipper with the committee by sufficiently detailed email at mullinsme47@gmail.com within 60 minutes after the completion of the protested race.

The race is a point-to-point race. The starting line will be located in the area opposite Greyhaven Municipal Marina. A mark will be positioned easterly from that point upriver opposite Riverview-Lakewood Park. A mark will be positioned downriver opposite Maharas-Gentry Park. A third mark of the course is channel buoy G "113" at the entrance to the old Detroit Edison

shipping channel. On the day of the race the Committee will determine whether to start in an upriver direction taking all marks to starboard or downriver direction taking all marks to port if a red flag is displayed by the committee before the race starting sequence.

Contact me at this email address or 313-510-8741 if you have any questions. Good Luck
